**COMPLETING THE FORM**

- Objections may only be made in respect of the proposed modifications to the Plan that were published in 2006.
- Please fill in a separate form for each objection.
- If you have submitted representations at previous Local Plan stages you will already have an objector number. It would help if you could provide this.
- Please state the reference number of the proposed modification (written statement or proposals map or both if relevant). This is the number that appears at the head of the modifications.
- You should specify the matters to which your objection or representation relates and the grounds on which they are made.
- Please note that copies of all objections sent to the Borough Council during the objection period will be available for inspection and a schedule of objections will be placed on deposit where the modifications are available for inspection. Objections cannot be treated as confidential.
- Completed form must be received by the Borough Council by:

**5pm on 9 May 2006.**
