## 1. Purpose of the Report

1.1 To approve changes to the Pay Policy Statement for 2016/17

## 2. Executive Summary

- 2.1 There is a legal requirement to produce and publish a Pay Policy Statement and review annually. Any amendments need to be recommended to full council. There are no major changes to the statement this year. The main 2016/17 Statement amendments are:
- 2.2 Updated pay rate figures and ratios for the lowest paid employees. The ratios are shown with and without apprentices.
- 2.3 Updated pay rate figures for Chief Officers, following national pay award and inclusion of honorarium.
- 2.4 Updated the ratios for the median pay rate, compared to the highest paid and the average Chief Officer pay. The median pay rate remains unchanged at salary point 21 (whether apprentices are included or not).
- 2.5 Please see appendix 1, which shows the Pay Policy Statement with tracked changes.

#### 3. **Background**

- 3.1 Through the Localism Act 2011 the Government introduced specific requirements on Councils and Councillors relating to pay. The aim was to bring increased accountability and transparency in setting local pay. This included identifying the methods by which salaries of all staff are determined; and the detail and level of remuneration of its most senior staff i.e. Chief Officers. The Localism Act required Local Authorities to produce a pay policy statement for 2012/13 and for each financial year after that. Any amendments need to be recommended to full council. ESBC produced and published the statement as required for 2012/13.
- 3.2 The Pay Policy Statement is "a public document to be used as an information source to enable local taxpayers to hold their councillors to account on pay matters" (DCLG February 2013)
- 3.3 Department for Communities and Local Government provided some supplementary guidance in February 2013, our Pay Policy Statement for 2013/14 was updated to incorporate this guidance which reflected the general public scrutiny of senior officer pay levels and severance payments awarded to senior local government staff nationally.
- 3.4 There has been no further guidance or new requirements affecting the production of this statement in 2016/17.
- 3.5 The Local Government Transparency Code 2015 requires us to publish our pay multiple on our website, defined as the ratio between the highest paid taxable earnings for the given year and the median earnings.

### 4. Contribution to Corporate Priorities

4.1 There is no Corporate Priority as such since this is a legislative requirement, but the Council's Pay Policy Statement is consistent with the Corporate Priority to deliver Value for Money Council Services.

#### Report

- 5.1 There are no major changes to the statement this year. The statement includes the requirement to show the relationship between the lowest and highest pay rates in the organisation (as recommended by the Hutton Review of Fair Pay in the Public Sector 2010); and the relationship between the median pay rate and the highest pay rates.
- 5.2 The National Pay Award increases for both Chief Officers and NJC staff, announced and implemented after the last Pay Policy Statement was produced, have been included. i.e. 1% from 1<sup>st</sup> April 2016, and 1<sup>st</sup> April 2017.
- 5.3 The temporary honorarium paid to Chief Officers following the departure of a Head of Service is published in Senior Officers Remuneration.

- 5.4 At 31<sup>st</sup> March 2017 the lowest paid apprenticeship is paid at the apprenticeship rate for aged 18. The lowest paid employee was an internship on the national living wage rate (this position has now ended).
- 5.5 Therefore For 2016/17 the ratio for the lowest paid (excluding apprentices) and the Chief Executive salary has changed slightly from 1:8.81 to 1:9.41. Including apprentices the ratios changes that for the lowest paid employee from the 2015/16 figure of 1:18.84 to 1:11.79. The median salary point at scp21 (i.e. £19,939), and the Chief Executive's salary, remains unchanged.
