Dear Sirs

Re: Temporary Event Notice – Allure

On 1 August 2017 Staffordshire Police received a temporary event notice from Reece Duncan of Allure, 6-8 Station Street, Burton on Trent. The notice requested an extension to their trading hours from 22.00 hours on 17 August to 06.00 hours on 18 August 2017 for A-Level Results event.

In the short time that the premises have been open and trading there have been a number of serious incidents of disorder/assault arising from the premises and spilling out into the street. One of these incidents involved a 16 year old boy who was in the premises in the early hours of the morning. Subsequent police visits have also revealed breaches of the premise licence.

Staffordshire Police object to the granting of the temporary event notice as we believe that should the event be allowed to go ahead then all four licensing objectives of the prevention of crime and disorder, public safety, public nuisance and the protection of children from harm would be undermined.

Yours faithfully
