Dear

**Licensing Act 2003**

**Regulatory Reform (Fire Safety) Order 2005**

Middle Bell, 33 Main Street, Barton Under Needwood, Burton-on-Trent DE13 8AA

I refer to your recent application for the review of a premises licence under the Licensing Act 2003.

The Staffordshire Commissioner Fire and Rescue Authority can have no objection to the current licence as there is no evidence of a threat to fire safety or means of escape in case of fire within the premises and so, with no threat to public safety in this respect, will not be making any representation to the Licensing Authority.

The Staffordshire Commissioner Fire and Rescue Authority continually review fire precautions and audit fire precautions within premises under the Regulatory Reform (Fire Safety) Order 2005.

A copy of this letter will be sent to the licensing authority.

Yours sincerely

**Alexandra Stafford**
