**1. Purpose of the Report**

- 1.1. The purpose of the report is to provide an update on progress at the end of the 2021/22 financial year towards achieving the “**Environment and Health & Wellbeing**” priority set out in East Staffordshire Borough Council’s Corporate Plan.
- 1.2. The report also aids improvement by identifying exceptions on performance indicators in the Corporate Plan (i.e. any Amber or Red targets). These are detailed in full in Section 5.5.

**2. Executive Summary**

**2.1. Corporate Performance**

2.1.1. There are 129 indicators in total for the three corporate priorities. Each target has been graded using a Red, Amber or Green scoring system to reflect the progress towards achieving that target.

2.1.2. Out of the 129 targets:

**115** are green status

**2** are amber status

**5** are red status

**4** have been deferred

**3** have been deleted

2.1.3. Of the 122 'live' targets:

**94.26%** are green status

2.1.5. Of the 22 'live' targets for the "**Environment and Health & Well Being**" Corporate Priority:

**90.00%** are green status

**0.00%** are amber status

**10.00%** are red status

### **3. Background**

3.1. The 2021/22 edition of the Corporate Plan sets out 3 Corporate Priorities:

3.1.1. Value for Money Council

3.1.2. Community Regeneration

3.1.3. Environment and Health & Wellbeing

3.2. The Corporate Plan incorporates the targets detailed in the 2021/22 Deputy Leader Statements and was adopted at Full Council in March 2021.

3.3. The Leader and Deputy Leaders of the Council are ultimately responsible for the performance of the targets that fall under their individual portfolio, and will be subject to scrutiny. This could include the Leader and Deputy Leaders being invited quarterly to discuss performance at meetings of the Council's Scrutiny Committees.

#### **4. Contribution to Corporate Priorities**

- 4.1. This report indirectly contributes to all three of the Corporate Priorities as it provides updates and analysis on all the measures and targets identified to monitor progress towards achieving the three Corporate Priorities contained in the Corporate Plan.

#### **5. Corporate Plan Performance 2021/22: End of Year**

- 5.1. The following report provides analysis and statistics on the performance of the indicators contained in the Council's Corporate Plan. These indicators are designed to monitor progress towards achieving the three Corporate Priorities and the associated measures contained in the Corporate Plan.

- 5.2. There are 129 Corporate Plan targets in total for the three Corporate Priorities. Each target has been graded using a Red, Amber or Green system to reflect the progress towards achieving that target. As this is the end of year report, the following definitions have been applied, which are consistent with previous end of year reports:

5.2.1. **Green:** Target fully achieved / exceeded or numerical outturn is within 5% tolerance

5.2.2. **Amber:** Target partially met; numerical outturn is within 10% tolerance; or completion date is within a reasonable tolerance

5.2.3. **Red:** Target was not completed; numerical outturn is outside of the 10% tolerance; or has been completed significantly after the target deadline

- 5.3. Tables 1a and 1b provide a breakdown of the number of targets in the Red, Amber and Green categories using the definitions above.

5.4. In 2019/20, Cabinet resolved to change the reporting status of the Amber targets in the end of year report to Red. Taking this approach would give a year end of 94.26% Green and 5.74% Red for all priorities and 90% Green and 10% Red for the EHWP priority.

5.5. Full performance information on all Corporate Indicators can be seen in Appendix 1. A summary of the percentage and number of performance indicators that have been graded Red / Amber / Green for each of the Corporate Priorities and Cabinet Portfolios<sup>1</sup> is shown in Table 2 below:

## **5.7. Benchmarking**

5.7.1. ESBC participates in quarterly benchmarking throughout the year through the former 'Kettering' benchmarking group (findings in Appendix 2).

5.7.2. The Council also uses LG Inform (an online tool developed by the LGA and local authority champions) to compare its performance. ESBC's 2021-22 Corporate Plan included targets to reach 'top' or 'upper' quartile for waste management measures. Whole year quartile data for the 2021-22 are not yet available for comparison, as national data collection and validation is still underway. However quartile data for 2020-21 and Q3 2021-22 are provided in Appendix 3.

7.2.1. Early identification of positive and negative trends allows for corrective action to be put in place to ensure the Council delivers its corporate priorities.

7.3. **Negative** (Threats):

7.3.1. Failure to rectify under performance could result in a decline in service standards, and Leader / Deputy Leader priorities not being delivered.

*This section has been approved by the following member of the Legal Team: John Teasdale*

8.1. There are no significant legal issues arising from this Report.

## **9. Equalities and Health**

9.1. **Equality impacts:** The subject of this Report is not a policy, strategy, function or service that is new or being revised. An equality and health impact assessment is not required.

9.2. **Health impacts:** The outcome of the health screening question does not require a full Health Impact Assessment to be completed. An equality and health impact assessment is not required.

## **10. Data Protection Implications – Data Protection Impact Assessment (DPIA)**

10.1. A DPIA must be completed where there are plans to:

- use systematic and extensive profiling with significant effects;

- systematically monitor publicly accessible places on a large scale
- use new technologies;
- use profiling or special category data to decide on access to services;
- profile individuals on a large scale;
- process biometric data;
- process genetic data;
- match data or combine datasets from different sources;
- collect personal data from a source other than the individual without providing them with a privacy notice ('invisible processing');
- track individuals' location or behaviour;
- profile children or target marketing or online services at them; or
- process data that might endanger the individual's physical health or safety in the event of a security breach

10.2 Following consideration of the above, there are no Data Protection implications arising from this report which would require a DPIA.
