PLEASE NOTE

If you have previously been a licensed driver with East Staffordshire Borough Council you are only required to take a driving and knowledge test if you have:

- a) been without a driver's licence issued by East Staffordshire Borough Council for 1 year or more
- b) your previous licence was revoked
- c) your licence has been endorsed with 1 serious offence (ie drink driving offence) or 2 or more less serious driving offences since the last time you held a licence with East Staffordshire Borough Council (in which case tests would be required)
- d) if you have **not** completed a knowledge test for the type of licence you are applying for.

From 1st June 2006 all new Hackney Carriage/Combined Driver applicants will be required to undertake a Wheelchair exercise prior to a licence being issued. You will not have to take a knowledge test if you have been a driver with East Staffordshire within the last 1 year unless b,c,d applies as above. From 1st September 2006 all existing Private Hire drivers wishing to become a Hackney Carriage/Combined Driver will be required to take the Wheelchair exercise prior to a new licence being issued irrelevant of previously holding that type of licence.

If you are required to take a knowledge test this will be carried out by a member of the Council's staff and will be a test of your knowledge of the area in which the vehicle is to be driven predominantly, with particular reference to the location of local residential estates, designed so as not to discriminate against the applicants ability to write.

If you are required to take a driving test this will be carried out by the Council's Provider. It is to test your driving ability and Highway Code knowledge and if your application is for Hackney Carriage you will also be required to undertake a wheelchair exercise.

Once you submit your application you will receive further details about taking your driving test and/or wheelchair test. All applications to be completed in 6 months or 3 months from committee date if required to go to committee. Failure to complete in 6 months will require a new application to be submitted and a new DBS search and Medical to be undertaken.

A driver's badge and licence issued by the Council shall remain the property of the Council at all times. If a Driver's Licence expires, is revoked or suspended, both the Licence and Driver's Badge, issued by the Council, must be returned within 7 days of being requested to do so. Renewal badges **will not** be issued unless the old one is returned.
