Dear Sir/Madam

**Re: Scoping Opinion for A50/A522 highway improvements, A50/A522 junction
Uttoxeter
Staffordshire**

I am writing to you in connection with your consultation relating to the above development received on 05/03/2014.

It appears that the Scoping Report broadly identifies the significant environmental impacts likely to arise as a result of the development and it is therefore considered an appropriate basis for undertaking an Environmental Statement.

Yours faithfully

Jonathan Imber
