What are Council Tax Reduction Discretionary Payments?

We can make Council Tax Reduction Discretionary Payments if we decide someone needs extra help with their Council Tax payments. The payments are in addition to Council Tax Reduction awards. This application form will help us to decide if a Council Tax Reduction Discretionary Payment can be made to you.

Council Tax Reduction Discretionary Payments cannot cover..

- payments of rent;
- charges for water and sewerage;
- increases in rent due to you paying back rent arrears on top of your normal rent;
- Housing Benefit or Universal Credit reductions;
- Any charge that is not a payment of Council Tax.

Who can apply for a Council Tax Reduction Discretionary Payment?

To be eligible for a payment, you must be entitled to Council Tax Reduction under the Council's scheme. You also have to prove that you need more help with your Council Tax payments. **You cannot apply if you do not receive Council Tax Reduction and you will not be able to get a Council Tax Reduction Discretionary Payment if you are already receiving the full amount of Council Tax Reduction which means you don't have to pay any Council Tax.**

How can I apply for a Council Tax Reduction Discretionary Payment?

Fill in the form inside this booklet and send it to us straight away. You will need to enclose proof of the money you have coming in and going out as well as any other evidence to support your request. We look at each application individually, so not all applications will be successful. If your application is filled in by someone acting on your behalf, please make this clear on the form.

How will the Council Tax Reduction Discretionary Payment be paid?

If your application is successful, we will credit your Council Tax account with the amount of Discretionary award the Council decides you are entitled to. We will then send you a revised Council Tax notice which will show the award and any revised payments you will need to make.

What do I do if my circumstances change?

You must tell us as soon as possible if your circumstances change. We may need to change an award of Council Tax Reduction Discretionary Payment if your circumstances have changed. If the change means that you have received an award you are not entitled to you may be asked to pay it back.

Examples of changes in income and family circumstances are:

- When Income Support/Job Seekers Allowance/Employment and Support Allowance/Universal Credit stops or starts
- Change of address
- Changes in income or savings
- When someone moves in or out of your home

This list does not cover everything. If you don't know if a change in your circumstances will alter your Council Tax Reduction Discretionary Payment, tell us anyway.

What do I do if I do not agree with your decision?

Council Tax Reduction Discretionary Payments are not part of the Council's Council Tax Reduction scheme and are a discretionary award. Therefore, you have no legal right to appeal.

However, if you disagree with the decision you can write and ask us to look at your application again. You must contact us within one month of the date on our decision letter, giving the reasons why you disagree. You can phone, write or visit us and ask us to explain the decision. You can also ask us for a written statement of reasons, which will show more information about the decision.
