Building Regulation Application for Building Control Approval with Full Plans

Proposed works (append additional information where necessary)
Provide a description of the proposed work, including:
(i) details of the intended use of the building, including the
intended use of each storey
(ii) the height of the building after the proposed work
(iii) the number of storeys in the building after the proposed
work as determined in accordance with Regulation 6 of the
Higher-Risk Buildings (Descriptions and Supplementary
Provisions) Regulations 2023
(iv) the provision to be made for the drainage of the building
(v) where paragraph <u>H4 of Schedule 1</u> imposes a requirement,
the precautions to be taken in the building over a drain, sewer
or disposal main to comply with the requirements of that
paragraph
(vi) the steps to be taken to comply with any local enactment
that applies
Commencement (append additional information where necessary)
State the date when it is proposed the work will reach the
point when it is to be regarded as commenced in accordance
with Regulation 46A (lapse of building control approval,
commencement of work); or where the work does not consist of
work to which paragraph (2) or (3) of Regulation 46A applies,
state the details of the work which the client considers amounts
to 15% of the proposed work

Granting of an application for building control approval with full plans subject to requirements

Do you consent to the application for building control approval with full plans being granted with requirements*?

Yes / No *delete as appropriate

Requirements are modifications that the local authority may specify must be made in the full plans, or further plans as the authority may specify must be provided before work to which those plans relate starts.

Declaration
This application for building control approval with full plans is in relation to the building work etc., as described above. It is submitted in accordance with Regulation 12(2)(b) and is accompanied by the appropriate charge

I understand that further applicable charges (such as inspection fees) may become payable by the building owner following the first inspection undertaken by the local authority

I / we apply for building control approval with full plans as described on this form and as detailed on any supplementary documents

Signature of applicant (where the applicant is not the client)
Date:
I, the client, confirm I agree to the application being made and that the information contained in the application is correct.
Signature of client (where the client is not the applicant):
Date:

The application for building control approval with full plans to inform the local authority of building work etc., is restricted to certain building types. Additional information will also be required to accompany your application for building control approval with full plans, depending upon the work proposed. Further information can be found in the attached notes and checklist. This form cannot be used for building control approval applications for higher-risk building work or stage of higher-risk building work or for work to existing higher-risk buildings. Applications for building work to higher-risk buildings can be made here. Form created in October 2023.
