Subject: Premises Licence Application

I have received the following response from our Planning Department:

In response to the consultation relating to a licensing application/or to vary the licence at the above location, I confirm our response below:-

1) No objections from a planning standpoint

Please inform the applicant that a planning application will be required for a change of use, also this is a Listed Building so any structures in the garden will require planning consent and any alterations to the building will require Listed Building Consent.

Therefore should you need to contact Planning there number is 01283 508606

Regards

H

It remains the Council's intention to determine planning applications and enquiries as efficiently as possible within the requisite target times. However, due to the current situation and a large number of applications and planning enquiries received it is inevitable that some delays in responses and decisions may be experienced. Your patience and cooperation is appreciated during this time.
